Notes

WHITNEY, from Volume I of Whitney History by
S. Whitney Phoenix.

HENRY WHITNEY was born in England about 1620. On October 8, 1649, he joined with Edward Tredwell and Thomas Benedict in buying three fourths of William Salmon's land at Hashamommock in Southold, Long Island. They had a contract not to sell to any-one not suitable to the other two.

In 1670, May 24, Henry Whitney assigned to John Budd, Jr. all the rights and title of his share. Town records of Long Island show that he was an inhabitant of that place August 16, 1658 and bought "three necks of meshepeake Land for the use of the whole town of Huntington". He built a grist mill there which led to a disagreement between him and a Mr. Leverich and he was not paid by Mr. Leverich.

Henry Whitney was a frank, outspoken man. One he was fined for speaking his mind too freely, but when a charge was true, he would acknowledge it. On November 1, 1660 he acknowledged that he had received payment from Mr. Leverich and that nothing was due him.

He had a son John. The name of his first wife is not known but he married second, Sarah Ketcham, a widow of Edward Ketcham.

He was defendant in two suits at Huntington. First to William Ludum who had acquired the mill from Mr. Leverich, for breaking in and grinding some corn at the mill. This suit was dismissed. Again his name appears as witness to the will of Henry Scudder.

After this, he removed to Jamaica, Long Island. He bought a home lot there of Richard Harker which he afterwards sold to William Smith and his son Joseph. His name also appears on various committees.

Sometime after 1664 he left Jamaica and next appears in Norwalk, Conn. Here he built a grist mill and was granted a home lot (Norwalk Land records, Vol. IV, folios 51 & 52) He engaged to "Grinde the corn of the planters, their heirs and assigns, making good and well conditioned meal, provide waterway obtained with the use of means and take butt no more than the sixteenth part for Tole of all sorts of grain that shall be ground."

He was one of thirty-three men named in a "true and perfect list of all Freemen appertaining unto the plantation of Norwalk", taken this 11th day of October 1669 and to be presented unto the Honored Court assembled".

His will was signed by Richard Olmstead and Thomas Fitch, Sen.

John Whitney was probably born before his father went to Southold and he was of full age before January 20, 1665/6 as at a town meeting that date he was granted land. He settled with his father in Norwalk; followed his business of millwright and miller; succeeded him in the possession of his mill and home-stead. He married Elizabeth Smith, daughter of Richard Smith, on March 17, 1674/5. He had 11 children. Elizabeth, his fourth child and first girl, was born in Norwalk about 1634.

.....
From Jacobus, The Families of Old Fairfield, page 689, prob. Vol 2

HENRY WHITNEY.....His English origin is unknown, the ancestry assigned to him in the splendid genealogy by Phoenix having proven false.....A miller, bought at Southold, L. I., October 8, 1649, with Edward Treadwell and Thomas Benedict. He removed by 1658 to Huntington, L.I.He married 1.
2. Sarah, widow of Edward Ketchum of Stratford. In 1660 he objected to Joseph Whitman as suitor to his daughter (stepdaughter) Sarah Ketchum. He removed about 1662 to Jamaica, L.I., and by 1665 to Norwalk, where he died in 1673.....Will, June 5, 1672: wife, son John; Thomas Benedict, Sr., Walter Hoyt, and Thomas Fitch, Sr., my beloved brethren and friends, overseers. Inv., November 8, 1673. Child by first wife: JOHN

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It includes a detailed description of the experimental procedures and the statistical analysis performed.

3. The third part of the document presents the results of the study. It includes a series of tables and graphs that illustrate the findings of the research. The data shows a clear trend in the relationship between the variables studied.

4. The fourth part of the document discusses the implications of the findings. It highlights the potential applications of the research in various fields and the need for further investigation in this area.

5. The fifth part of the document provides a conclusion and summarizes the key points of the study. It reiterates the importance of the research and the need for continued efforts in this field.

6. The sixth part of the document includes a list of references and a bibliography. It cites the works of other researchers in the field and provides a comprehensive overview of the current state of knowledge.

7. The seventh part of the document contains a list of appendices and supplementary materials. These include additional data, figures, and tables that support the main findings of the study.

8. The eighth part of the document provides a final summary and a list of key takeaways. It emphasizes the significance of the research and the need for further exploration in this area.

Sr., my beloved brethren and friends, overseers. Inv., November 8, 1673. Child by first wife: JOHN

Norwalk, July 24th, 1665, Henry Whitney hath agreed and Ingaged with the Towne to make, build, and erect a good and sufficient ground corne mill, and that at the mouth of Norwake River by the falles; and that upon certain conditions, which conditions are to be fullie drawn up, by Thomas Fitch, Leeiftenant Olmstead, Mstr. Fenn, Mr. Whitinge, to confirm.....signed by the Towne or those they shall depute their.....which conditions were fully agreed upon at the sayde.....between the Towne and Henry Whitney.....Towne voted and granted unto the said Henry Whitney a Homelott, consisting of two akers, the sayed lott to be layed out upon the mill plaine upon the right hand of the path leading down to the old mill, being over the Runlett 2 or 3 rodd from the sayed Runlett and also from the cart way; and so the grand of the other Lott is relinquished.

.....
The information below probably belongs to a son or grandson of Henry the settler. Son John had a Henry born 1680. Possible that Henry, Sr. also had a son Henry. All we have here is John. More info needed. Will include this information in the grandson's notes, Henry, son of John.

WHITNEY.....IN RIDGEFIELD.....Henry Whitne's ear mark is a step on ye forside of ye near ear.
Recorded December 1, 1712

Thomas Canfield sold to Henry Whitne, homelott.....bounded south by Jonathan Rockwell,north by ye homelott being ye proprietor's reserve.....west by ye Town Street and east by common land. Recorded 25, 1712

The sign post in Ridgefield has quite a history. At a town meeting held Jan. 9, 1726/27 the townsmen did order "that ye white oak tree standing near Henry Whitne's be recorded as their sign post." This tree, the first sign post in town, stood near the corner of Main Street and Branchville Road. Another was at JOSEPH KEELER'S at Mamanusqua.

Henry Whitne was in the list of men to look into the settlement of the town, in 1697, page 9 & 10

A description of the meeting house yard contains the name of HENRY WHITNE. "and from Henry Whitne's northwest corner to Matthew St. John's southeast corner of his home lott is 16 rodde, and from said Whitne's north corner to his south corner is 20 rodde, and from the south corner, west across the street to Joseph Keeler's southeast corner is 16 rodde" page 72, date of 1721

The above items were found in "The History of Ridgefield" by Rockwell

Marriage Information	
Wife:	Unknown Wife
Beginning status:	Married
Wife:	Unknown Wife
Notes	
Child:	John Whitney
Born:	January 20, 1644/45
in:	Southold, Suffolk, New York
Died:	Abt. 1720
in:	Norwalk, CT
Relationship with Father:	Henry Whitney - Natural
Relationship with Mother:	Unknown Wife - Natural
Occupation:	A miller

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The text also mentions the need for regular audits and the role of independent auditors in ensuring the reliability of the data.

2. The second part of the document focuses on the challenges faced by organizations in implementing effective internal controls. It highlights the complexity of modern business environments and the need for a robust framework of controls to manage risks and ensure compliance with applicable laws and regulations.

3. The third part of the document discusses the role of technology in enhancing financial reporting and data analysis. It mentions the use of advanced software systems and the importance of ensuring the security and integrity of digital data. The text also touches upon the need for ongoing training and development of staff to keep up with technological advancements.

4. The fourth part of the document addresses the importance of transparency and communication in financial reporting. It stresses the need for clear and concise disclosure of financial information to stakeholders and the role of management in providing accurate and timely updates on the organization's financial performance.

5. The fifth part of the document discusses the role of the board of directors in overseeing the financial reporting process. It mentions the need for the board to establish a strong governance framework and to ensure that the financial reporting system is aligned with the organization's strategic objectives. The text also highlights the importance of the board's oversight in ensuring the accuracy and integrity of the financial statements.

6. The sixth part of the document discusses the role of the external auditors in providing an independent opinion on the financial statements. It mentions the need for auditors to maintain their independence and objectivity and to follow strict professional standards in conducting their audits.

7. The seventh part of the document discusses the role of the regulatory bodies in overseeing the financial reporting process. It mentions the need for regulators to establish clear rules and standards and to enforce them effectively to ensure the integrity of the financial system.

8. The eighth part of the document discusses the role of the public in ensuring the integrity of the financial system. It mentions the need for the public to be informed and to hold organizations accountable for their financial reporting practices.

9. The ninth part of the document discusses the role of the media in providing information to the public. It mentions the need for the media to report accurately and to avoid sensationalism in their coverage of financial reporting issues.

10. The tenth part of the document discusses the role of the academic community in researching and developing new approaches to financial reporting. It mentions the need for academics to collaborate with practitioners and to provide evidence-based advice on financial reporting practices.

11. The eleventh part of the document discusses the role of the international community in promoting global standards for financial reporting. It mentions the need for international cooperation and the role of international organizations in developing and promoting common standards.

12. The twelfth part of the document discusses the role of the private sector in promoting transparency and accountability in financial reporting. It mentions the need for private companies to adopt best practices and to provide accurate and timely information to their stakeholders.

13. The thirteenth part of the document discusses the role of the public sector in promoting transparency and accountability in financial reporting. It mentions the need for government agencies to provide accurate and timely information on their financial performance and to ensure that their reporting is subject to independent audit.

14. The fourteenth part of the document discusses the role of the non-profit sector in promoting transparency and accountability in financial reporting. It mentions the need for non-profit organizations to provide accurate and timely information on their financial performance and to ensure that their reporting is subject to independent audit.

15. The fifteenth part of the document discusses the role of the civil society in promoting transparency and accountability in financial reporting. It mentions the need for civil society organizations to monitor and report on the financial performance of organizations and to hold them accountable for their reporting practices.

Notes

Both John Whitney and his father, Henry Whitney, had homelotts in Norwalk in 1655 as miller and millwright.

From Jacobus, "The Families of Old Fairfield".....JOHN WHITNEY, son of Henry.....

A Miller; had a grant of land in Southold, L.I., 1666; removed to Norwalk with his father. He married (Norwalk records) March 17, 1674/5, Elizabeth Smith, daughter of Richard; she died after April 3, 1741. Administration granted, Oct. 11, 1720, to son-in-law, Joseph Keeler. Children recorded at Norwalk: (Other information about the children on each child's page)

Age at death (Facts Page):	1757 74 years
Burial:	1757 Ridgefield Cemetery, Ridgefield, CT
Occupation:	Miller

Notes

RALPH KEELER..... The first intimation of the contemplated settlement of Ridgefield is found in the public records of the Colony of Connecticut, when in 1697 the following motion was granted: Upon the motion of Samuel Haise, Sr. (Hayes), John Belden, John Whitne, RALPH KEELER, Jachin Gregorie, John Nash, SAMUEL KEELER.....to purchase of the Indians a certain tract of land lying about 14 miles Northward of the town of Norwalk to settle a plantation there, this court made a choice of Matthew Marvin, Mr. John Wakeman, and David Waterbury to be a committee to view the said land and to inform them whether there be accommodation sufficient for a body to settle in a plantation way. Page 9

Land is sold by Catoonah, Sachem of the Ramapoo Indians to Norwalk men among whom we find John Belden, SAMUEL KEELER, SR., John Whitne, Sr., JOSEPH KEELER, SAMUEL KEELER, JR.
.....Page 10 and 11

The Assembly gives to the following men the land to make settlement.....bounded on the South by Norwalk.....on the West by New York.....on the East by Fairfield.....on the North by Danbury: John Belden, SAMUEL KEELER, SR., Matthew Seamor, Matthew St. John, Benjamin Wilson, SAMUEL KEELER, JR., Samuel Smith, Jonathan Stevens, Daniel Olmstead, John Sturdevant, Jonathan Rockwell, Joseph Whitney, Thomas Hyatt, James Benedict, Joseph Crampton and Richard Olmstead of Norwalk, and Thomas Smith, Thomas Canfield, Samuel and Ebenezer Smith of Milford.....Page 14.....dated 1709

Patent issued in 1714 to the same group of men.....Pages 15, 16, and 17

JOSEPH KEELER is listed on pages 10, 11, 15, and 16 in the settling of the town of Ridgefield.

"At a General Assembly holden at Hartford on Thursday 13th day of May, 1731, upon the memorial of JOSEPH KEELER, Ebenezer Smith, Daniel Olmstead and the rest of the proprietors of the common and undivided lands in the town of Ridgefield, setting forth to this Assembly the great loss and damage they have sustained by reason of the dividend line between the Province of New York, and the Colony of Connecticut coming so much further eastward, than was expected, and thereby cutting off a considerable quantity of land belonging to the said town, thereupon petition this Assembly, that they would, in consideration of the loss.....grant unto them a certain quantity of land, bounded south by the Colony line".....Pages 65, 66, and 67

At a proprietors meeting March 19, 1732, a committee was appointed on the part of Ridgefield to settle the boundry line between this town and Danbury. Full power was given to this committee to act with the committee from Danbury for "setting the boundaries" between the two townships. The members of this committee from Ridgefield were Lt. Ebenezer Smith, JOSEPH KEELER, and Daniel Olmstead.....page 68

"Then comes as description of the Meeting house yard or Church Yard as it was called. Upon this section of our highway stood the Congregational Church until it was abandoned in 1888. Here was held General Trainings by the militia in Colonial days. This plot of ground was laid out as follows: From ye south of Mr. Hawley's homelott, beginning at ye meeting house yard and from Henry Whitne's northwest corner to Matthew St. John's southeast corner of his Homelott is 16 rodds, and from said corner to his south corner is 20 rodds and from said south corner, west across the street to JOSEPH KEELER'S southeast corner is 16 rodds and from said corner to JOSEPH KEELER'S northeast corner standing in St. John's line is 20 rodds.....pages 72, 73.

The present Depot Hill is described as "a road between the homelotts of Thomas Smith and Ebenezer Smith."

The present Depot Hill is described as "a road between the homelotts of Thomas Smith and Ebenezer Smith." Thomas living on the south corner and Ebenezer on the library corner. This road was laid out "five rodds and a half and four feet on Town Street and at ye East end five rodds and a half, and from hence to JOSEPH KEELER'S six acre division and down to the Great Swamp four rodds wide."page 73

Appointed Perambulators in 1733 to go over boundaries were from Ridgefield, JOSEPH KEELER, Samuel Smith, and Nathan St. John. From Norwalk were Matthew Gregory and Thomas Benedictpage 83

In 1724, a committee was appointed to see to the materials needed to work on the Meeting House. On this committee were JOSEPH KEELER, Benjamin Willson, and Ebenezer Smith.....page 225

JOSEPH KEELER deeds his lands in Ridgefield to his sons, "for love and affection", naming them, including Paul, who is "not of Ridgefield" at that date of March 12, 1750. Ridgefield Land Records, Vol. III, page 276, 277.

JOSEPH KEELER was elected lister, December 12, 1716, sealer of weights and measures, townsman, town miller, and Justice of the Peace, 1735 (Vol. 1, Whitney Family, page 16)

.....
An interesting note in Genforum on the Internet says that George Bush has the Keeler name in his genealogy. They have it this way and attribute ELIJAH to Joseph. I find Elijah in my records, but do not have a way so far to give him to Joseph. Here is what is in Genforum:

Samuel Keeler and Sarah St. John
Joseph Keeler and Elizabeth Whitney
Elijah Keeler and Sarah
Rebecca Keeler and Lemuel Bangs
Elijah Keeler Bangs and Esther STackhouse
Mary Ann Bangs and Joseph Ambrose Beaky
Martha Adela Beaky and David Davis Walker
George Herbert Walker and Lucretia Wear
Dorothy Walker and Prescott Sheldon Bush
George Herbert Walker Bush.....interesting.

This was posted by Christine Llewellyn West on April 11, 1999.....
.....

Also noted on the LDS family group sheet on Joseph that Elijah was listed as being born March 17, 1727 at Ridgefield, CT., and was still living in 1790. Also noted on the same FGS was another Elijah Keeler, born 1706. Perhaps did one Elijah die early? I will add the family of Elijah here as I found it also in the LDS.

Married about 1748 to Sarah, born 1726 , of Ridgefield, CT.

1. Rebecca, Born April 29, 1751
2. Elijah, born January 12, 1756
3. Sarah, born October 16, 1749
4. Freelove, born January 12, 1754
5. Levi, born April 4, 1758
6. Enos, born October 24, 1760
7. Elizabeth, born November 14, 1762
8. Rachel, born November 27, 1764
9. Joseph, born December 27, 1766
10. Jonah, born April 26, 1768
11. Martin, born January 14, 1771

Also there is listed on the LDS FGS a son named Isaac, under Joseph Keeler, who was born 1715 and died 1778 at Ridgefield. May or may not be a member of this family. Marge Gray also lists Isaac under Joseph and Elizabeth and has his death at 1778 in Ridgefield. He signed a will on February 25, 1778 in Danbury, Fairfield Co., CT.

Am adding these names to the Joseph Keeler family with the knowledge that they may or may not be in the right place and may have to be moved or changed. All the other members of the family except for Elijah and Isaac were

found in Rockwell's "Ridgefield History". Actually Paul is not found there either except as a participant in the Rev. War.

Will add here from the Westchester Co., history a little about the town of Lewisboro.

It is hereby certified, that whereas Thomas Hawley, Nathan St. John, Samuel Smith, Benjamin Benedict, Richard Olmsted, Thomas Smith, Ebenezer Smith, Daniel Sherwood, Benjamin Burt, Thomas Hyatt, Benjamin Wilson, Joseph Lee, JOSEPH KEELER, James Benedict, Richard Osborn, Samuel Smith, Daniel Olmsted, TIMOTHY KEELER, JONAH KEELER, Matthew Seymour, Joseph Northrup, James Brown, Adam Iceland, John Thomas, and Benjamin Birdsall, inhabitants of the town or Ridgefield, as of the eastern parts of this province, by their humble petition, presented unto his Excellency in council, the 3rd day of September, setting forth that they and their ancestors have for a long time been settled upon, cultivated and improved certain lands near the eastern parts of this province, held by patent from the colony of Connecticut, but that, contrary to their expectations, some of the lands to be sold by patent from the colony of Connecticut are supposed to be within that part of the province of New York, commonly called the Equivalent Lands, and that the petitioners, together with their associates, would be willing to defray the charge and expense of finding out and ascertaining the true partition lines between both the said colonies, provided that 50,000 acres of the said lands be granted to the petitioners; and whereas, the partition lines between the said colonies have been accordingly run out and ascertained by commissioners for both the said colonies being thereunto duly commissioned and appointed, and 61,440 acres of land of the said colony of Connecticut were lately, at the settling of the said partition lines, surrendered to the said province of New York, for the use of his Majesty; wherefore the petitioners prayed his Excellency would be favorably pleased to grant to them, their heirs and assigns, his Majesty's letters patent for 50,000 acres of the said land under such quit-rent provisions and restrictions as is and are directed in his Excellency's commissions and instructions; which petition being then and there read and considered of his Majesty's council of this province, did afterwards, on the same day, humbly advise and consent that his Excellency do grant the prayer of the same, &c., given, &c., 4 several tracts, the first of which begins at the monument where the two lines intersect which are the eastwardly bounds of the said surrendered lands, and is 1 mile, $\frac{3}{4}$ of a mile and 52 rods distant on a line running north 84 degrees east from the monument, and the end of the 20-mile line from Cortlandt's Point west to the east end of Long Pond, &c., then along south side of said pond to the easterly bounds of said surrendered lands.

The 2nd tract begins at the monument, standing at 2 miles from the monument, at the end of the 20 miles from Cortlandt's Point.

The 3rd begins at the 8th mile monument, on the westwardly bounds of the said surrendered lands, on the line running north 12 degrees and 30 minutes east of the monument, at the end of the 20 miles from Cortlandt's Point.

The 4th tract begins at the 34 mile from the monument, at the end of the 20 miles from Cortlandt's Point, &c.

The Patentees yielding, rendering and paying therefore yearly and every year forever unto us at our custom's house in our city of New York unto our Receiver General for the time being, on the Annunciation of the Blessed Virgin Mary, commonly called Lady Day, the yearly rent of 7s, 6d for each 100 acres of the above granted lands, and so in proportion for a lesser quantity thereof, given under our hands at New York this 8th day of June in the 4th year of his Majesty's reign AD 1731.

John Montgomerie

This grant was also commonly called the "East Patent" from its easterly situation as appears by the following receipt given for quit-rent in 1760.

"Received of the owners and proprietors of the East Patent, to wit, Thomas Hawley and others, for a tract of 50,000 acres of land in Westchester and Dutchess counties, commonly called the Oblong, by the hands of Abraham King, 1382 pounds 1 shilling and 5 ds, proved money, being the full balance of quit-rent which was due her majesty on the said patent, to the 8th day of June, 1760, old style, as witness my hand this 21st day of March, 1760." and signed Richard Nicholls, Deputy Received General

Ridgefield Land Records: Vol. III, page 276, 277: Joseph Keeler deeds his lands in Ridgefield to his sons "for love and affection", naming them, including PAUL, who is "not of Ridgefield" at that date, March 12, 1750.

Birthdates of children from the "History of Ridgefield" by Rockwell.

1708.....Joseph Keeler receives Lot 19 in Ridgefield settlement
 1712.....Paid 9 pounds in money from Benjamin Burt
 1724.....Joseph Keeler is on the committee to get boards for doors, floors, roof of Meeting House
 1731.....Joseph Keeler (and others) granted land because of the New York Controversy
 1732.....Joseph Keeler on the committee to settle Danbury town line
 1733.....Joseph Keeler appointed perambulator to mark boundaries

the use of his Majesty; wherefore the petitioners prayed his Excellency would be favorably pleased to grant to them, their heirs and assigns, his Majesty's letters patent for 50,000 acres of the said land under such quit-rent provisions and restrictions as is and are directed in his Excellency's commissions and instructions; which petition being then and there read and considered of his Majesty's council of this province, did afterwards, on the same day, humbly advise and consent that his Excellency do grant the prayer of the same, &c., given, &c., 4 several tracts, the first of which begins at the monument where the two lines intersect which are the eastwardly bounds of the said surrendered lands, and is 1 mile, 3/4 of a mile and 52 rods distant on a line running north 84 degrees east from the monument, and the end of the 20-mile line from Cortlandt's Point west to the east end of Long Pond, &c., then along south side of said pond to the easterly bounds of said surrendered lands.

The 2nd tract begins at the monument, standing at 2 miles from the monument, at the end of the 20 miles from Cortlandt's Point.

The 3rd begins at the 8th mile monument, on the westwardly bounds of the said surrendered lands, on the line running north 12 degrees and 30 minutes east of the monument, at the end of the 20 miles from Cortlandt's Point.

The 4th tract begins at the 34 mile from the monument, at the end of the 20 miles from Cortlandt's Point, &c.

The Patentees yielding, rendering and paying therefore yearly and every year forever unto us at our custom's house in our city of New York unto our Receiver General for the time being, on the Annunciation of the Blessed Virgin Mary, commonly called Lady Day, the yearly rent of 7s, 6d for each 100 acres of the above granted lands, and so in proportion for a lesser quantity thereof, given under our hands at New York this 8th day of June in the 4th year of his Majesty's reign AD 1731.

John Montgomerie

This grant was also commonly called the "East Patent" from its easterly situation as appears by the following receipt given for quit-rent in 1760.

"Received of the owners and proprietors of the East Patent, to wit, Thomas Hawley and others, for a tract of 50,000 acres of land in Westchester and Dutchess counties, commonly called the Oblong, by the hands of Abraham King, 1382 pounds 1 shilling and 5 ds, proved money, being the full balance of quit-rent which was due her majesty on the said patent, to the 8th day of June, 1760, old style, as witness my hand this 21st day of March, 1760." and signed Richard Nicholls, Deputy Received General

Ridgefield Land Records: Vol. III, page 276, 277: Joseph Keeler deeds his lands in Ridgefield to his sons "for love and affection", naming them, including PAUL, who is "not of Ridgefield" at that date, March 12, 1750. From Ann Hassold.

From Ann Hassold: All children from the second marriage are recorded in the records of the United Church of Christ, South Salem, Westchester County, New York. (South Salem is just across the state line from Ridgefield probably only 4 miles distant)

Marge Gray writes: Paul Keeler, Sr. was born 1720 in Fairfield County, CT. He died on April 27, 1787 in South Salem (Lewisboro), Westchester County, New York. He served in the military in Rev. War. He was married to Mrs. Unknown Smith about 1746. She was born about 1726 in CT and died about 1749/50.

My additions to this information of Marge Gray. Wonder where she found the information about his serving in the Rev. War and the death of Mrs. Unknown Smith? Since the children except possibly Sarah and perhaps, Paul, are listed as being born after Mrs. Unknown Smith died, she attributes them to a second wife. Our original information (from Fitch family files) gives the birth of Paul, Jr. as 1756 meaning he would also belong in the category of belonging to the 2nd wife, but Ann Hassold believes that Paul and Sarah were of the first wife, Mrs. Unknown Smith and the later ones to Sarah Wood, the 2nd wife. As above she has found the other children listed in the church records of the United Church of Christ in South Salem.

Husband: Richard Smith

CHILDREN

1

Name: Elizabeth Smith

Married: March 17, 1674/75

Died: Aft. April 03, 1741

Spouse: John Whitney

in: Norwalk Records

Husband:	Richard Smith
-----------------	----------------------

Notes

Little is known about this Smith family at this time.

Jacobus says that there were 2 Smith settlers to Norwalk:

Richard, whose dau. Elizabeth married John Whitney, March 17, 1674/75 *Richard*
 Thomas, who was perhaps the father of Samuel who married Rachel Marvin, bpt. 12-30-1649

Samuel can be carried on further down with his children by his will, but Jacobus has no more information about the older Smith generations. There were also Smith families from Fairfield, and some from Jamaica, Long Island.

Hall in his Ancient Historical Records of Norwalk CT gives the marriage of Elizabeth:

"John Whitney tooke to wiffe Elissabeth Smith, the daughter of Richard Smith, and was married the 17th of March, Anno 1674, 75"

In the list of settlers, 1656, we find a Samuel Smith on the list. Note also says that some of the settlers may have come at a later date. Samuel is in a list of Norwalk home lots.

Other early references was in the sale of lots in Norwalk:

Richard Holmes bought the home lot that had belonged to Thomas Smith
 Joseph Smith, late of Long Island, bought of Samuel Campfield his lot in 1675
 Samuel Smith, in 1672, bought a parcel in Indianfield

Will not explore this family any further at this time as the "Smith" name is too numerous.

Marriage Information

Beginning status:	Married
-------------------	---------

Child:	Elizabeth Smith
